February 2014

A NOTE FROM YOUR CHORAL DIRECTOR

Dear Students, Parents, and Friends,

Congratulations to everyone involved with A Cappella Night 2014! It was a very successful evening. We received such good feedback from the school, the community, and our visiting performing groups. Our A Cappella Night will get bigger and better every year, and we are happy that this year's event has set us in that direction.

We are happy to announce the formation of "Danvers Choral Collaborative" (DCC) – our support group for the Danvers High Choral Music Program. There was a committee of parents that helped plan A Cappella Night as a jump-start to this organization. In the coming weeks, we will be finalizing bylaws, and looking to our next fundraiser, which is hosting a Heritage Music Festival in April. Please let me know if you have any questions.
